Action Taken Report

Students' Feedback on Administrative Mechanism, Evaluation System, Course and Campus Facilities 2018 – 19 (Even Semester), IQAC, Bahona College

Students' feedback on administrative mechanism, evaluation system, course and campus facilities are taken in five responses – A, B, C, D and E implying very good, good, average, poor and very poor. IQAC of the college has decided students' response on C, D and E should be taken seriously. On the basis of findings on these three grades necessary action should be taken. Accordingly, examining students' feedback on the aforesaid four areas, for the session 2018-19 (odd semester), following actions were taken.

Feedback areas	Action taken
Administrative Mechanism	Among 26 questions regarding administrative mechanism response to 15.38% questions was 'very good' and to 84.62 % it was 'good'. No response was there as average, poor and very poor. In spite of that there is continuous effort to develop the qualitative aspects of administrative mechanism.
Evaluation System	Among 11 questions regarding evaluation system response to 27.27% questions was 'very good' and to 72.73% it was 'good'. No response was there as average, poor and very poor.
Course	In case of course 100% response was good. No response was there as average, poor and very poor. Of course, Curricular Development Cell, under IQAC of the college is trying to analyse and approve new syllabus on those areas of the college having autonomy.
Campus facilities	In case campus facilities 25% response was 'very good' and other 75% was 'good'. No response was there as average, poor and very poor. Of course, the college authority is taking continuous initiatives to develop campus facilities such as canteen building, college approach road, drinking water facilities, garbage management, rain water harvesting, maintaining greenery etc.
