Report on the '5th Alumni Interaction Session'

The 5th Online Alumni Interaction Programme was held using google meet on 28th November, 2021, 6.00 pm onwards. More than 49 participants participated in the programme. The program was coordinated by Dr. Parinita Borah, Head, Department of Chemistry with an inaugural speech by the hon'ble retired Principal of the college Ms. Prity Bordoloi. The invited talk of the session was delivered by Dr. Jugal Hazarika, Deputy General Manager, Oil India Limited, Duliajan. The programme was a career counselling session of the current students, on the topic of career opportunities for the Chemistry students in the oil industries and inner functioning of the oil industries. He also shared his journey from the Bahona College till date and various hurdles came along his journey. The session was moderated by Dr. Champak Dutta, Asst. Professor, Department of Chemistry. It was followed by a short interactive session with questions from the audiences. Finally, the programme was concluded with sincere vote of thanks by Miss. Prantika Bhattacharjee, Asst. Professor, Department of Chemistry.
