The above-mentioned institutes recognize that academic collaboration would be of mutual benefit and would provide strength in research and education and generate their mutual interest in engaging themselves in academic cooperation. It is agreed that

Faculty:

1. Each institute will promote the exchange of faculty for teaching and/or for collaborative research programs in the different area of Physics.
2. The exchange of teaching classes will be mostly done in online mode.
3. The faculty members will have research collaborations to publish research papers in reputed journals and if possible, patents.
4. The faculties of both the institutes will share their study materials among each other, if required.

Students:

1. Each institute will promote internship and/or semester exchange of qualified undergraduate and/or graduate students in the other's academic progress.
2. Both the institutes will treat each other's student as own student and will not charge any tuition fee.
3. Students will bear their transportation cost, i.e. to and from the host institution. The students will arrange their food and lodging expenses if required.

Term:

1. This collaboration will become effective on the final date of signing the agreement and will have duration of five years.

Coordinators:

1. Each departments designate their HODs to be the coordinators of the programme. We also mention that if any change in headship occurs then the newly appointed HOD will take over the duty of coordinator.

Dear Sir,

Greetings from us!

I am Aishawnnya Sharma, an Assistant Professor from the Department of Physics, Bahona College. We are happy to inform you that the Department of Physics, Bahona College is going to start an online Undergraduate Physics Lecture Series (UPLS) from 19th July to 31st July, 2021. The aim of the program is to introduce the students with topics of different undergraduate subjects by the experts of those subjects teaching in different colleges of Assam.

With this, given your extensive experience in teaching, and with reference to the verbal discussion with the Head of the Department of Physics, Bahona College, we would like to invite you to deliver talks on the topics 'Displacement Current', and 'Quantum theory of light' on 19th and 20th July, 2021 at 11.15 am and 11.00 am, respectively.

The Principal of Bahona College will inaugurate the lecture series on 19th July at 11 am. With this, I also invite you for the virtual inauguration over google meet.

I have attached the flyer and the program schedule of the lecture series for your perusal. The platform of the lecture series will be google meet, the links of which will be shared prior to the talks. Interested students can attend any of the talks by registering at the link <https://forms.gle/v9U3gdkDXT1N2C8C9>.

We would be grateful if you kindly revert with your acceptance. We would also be happy to assist you for any further queries.

Thanking you in anticipation,

With Regards

Dr. Aishawnnya Sharma

Coordinator, UPLS, 2021

Assistant Professor

Department of Physics

Bahona College, Bahona-785101, Assam, India
