## From the Principal's Desk

It gives me great pleasure to welcome the fresh batch of 2021-2022 to this college. As one of the oldest institutions of higher education under Dibrugarh University, we have continuously strived to maintain and upgrade our academic, co-curricular and infrastructural quality. This claim is upheld by the steady performance graph of our students in their Final Examinations. Besides, the students of this college have achieved recognition at the state and national level in sports, art and music. Many are employed abroad filling us with pride and determination to work harder.

The 12 departments with 51 teachers are committed to the overall uplift of the students and also the neighbouring villages, forming a cohesive community. The extension work carried out by the cells and societies show our deep engagement with social causes. The college collaborates with various agencies at the state, national and international level to organize academic and extension activities.

We, at Bahona College, adhere strictly to the rules as explained in this prospectus and follow a policy of zero tolerance towards sexual harassment at workplace. We maintain an organic relation with all the stakeholders of this college to provide a healthy and congenial environment to the college fraternity. The 1400 strong student community is majorly disciplined and responsible and through them, we try to uphold the values handed down by our predecessors and realize the dreams of our Founding Fathers of providing quality education.
